YEARBOOK MESSAGE

As we look forward to the next year when we celebrate our homecoming we are excited about the history of Highlands Junior High School. The grade nines will carry forward a heritage based upon hard work, excellence and contributions to society and our school. Sometimes when we look at tradition, heritage and history we get lost in the glamour and the excitement that went before and forget about the future. Each of you at Highlands Junior High School are making a contribution to the image that future generations will look back on but we must not get buried in the past. We can be proud of our heritage but we must not live in the past. So to each of you I say thank you for making this an exciting school year, I thank you for making it a challenging year but at the same time we cannot live this school year forever. Each of you will go on to make your contribution and it is this desire to contribute rather than to sit and reflect that is so important. We do live in the city of champions but it is the city of champions because its people went out and did something about it. We must continue to reach out and build on the standards that have been set by our previous students, staff and community. Let us not be satisfied with what has been done but reach for greater heights. It is my true wish that each of you will continue to grow and develop and contribute.

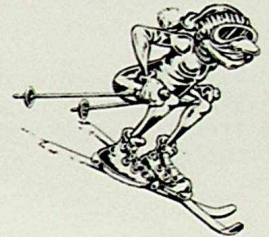

This year has been very special in that our parents became more involved, our staff provided more activities and exciting programs and the students participated more fully in all aspects of academic and extra-curricular work. A special thank you to Mr. Jonkman and the entire staff for making my "dreams" a reality. Thank you to the students and parents who are also a part of the Highlands dream.

The best of luck in the future and thank you for a most interesting past.

ASSISTANT PRINCIPAL'S MESSAGE

It is a pleasure to thank all of those who have expressed their interest in Highlands Junior High School by making possible the 1988 publication of our Yearbook. I would like to thank all those students that worked so diligently under the guidance of Mr. Coultman and Mrs. Mah to make this yearbook a reality.

As you look through these pages, you will see faces of those who have worked together and played together. We hope those who are leaving us will find true satisfaction and happiness in the future and we hope that they will have pleasant memories as they again glance through these pages.

A magnificent aspect of Highlands is recorded in this book. The Student Council, Cheerleaders, Ski Club, Yearbook Staff, school teams and every form of student activities are examples of individuals and groups who have devoted their efforts and energies to improving some aspect of school life. Our school yearbook gives recognition to these students, but I am sure that each individual will find his own reward. The experience of doing a worthwhile job, the knowledge learned from people working together, will provide their own rewards in the life time ahead.

I must in closing give some measure of recognition to an aspect which is not prominent in the yearbook. This is probably because it is taken for granted. Each student who has without fanfare, done an honest job in his class work, who has taken full advantage of the programs and facilities provided, has earned the gratitude of our staff and community which provide these facilities. He or she has not only gained benefit for him or her self but has added to our long Highlands tradition which will serve as an example to those who follow.

THE PARENT VOLUNTEERS

The staff and students would like to extend their gratitude to the many "Parent Volunteers" who made this past year such a great success. To list a few things the volunteers helped us with were: Yuk-Luk, Wake-A-Thon, Phoning Committee, Budget Committee, Hamburger Day and chaperoning the many dances. Once again, THANK-YOU.

President

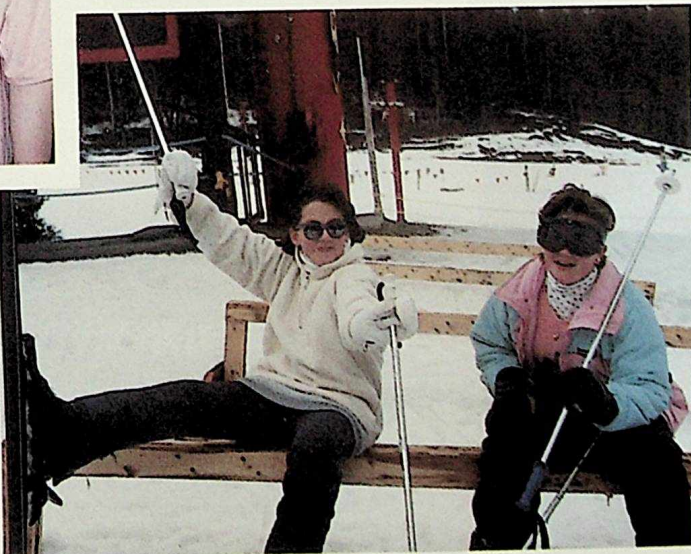

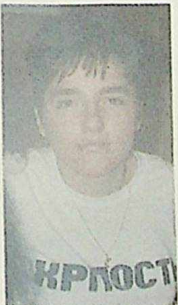

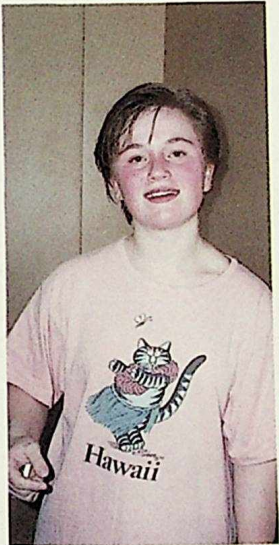

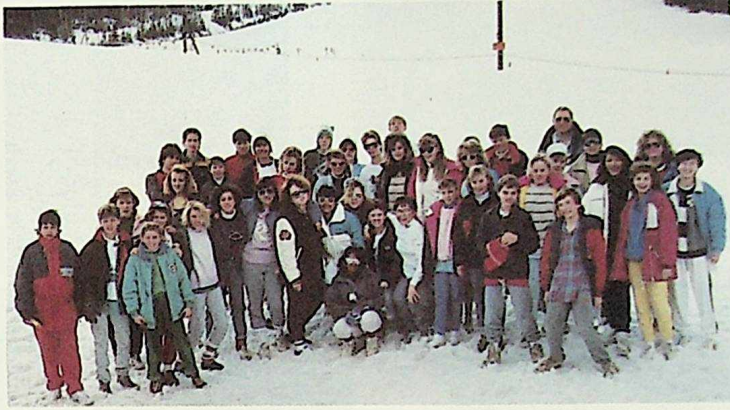

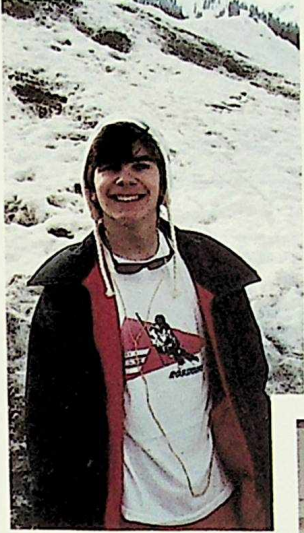

This year has been a year to remember. Remember . . . the 50's dance? Where the whole school went into a time warp and we all dressed like the last generation. Remember . . . the Christmas Dance? Remember hiding mistletoe from the parent chaperones (and remember "Mony, Mony")? All in all I'd like to say that this year has been great. I would like to thank: Mr. Jonkman, Miss Shaw, Jessica Sandham, the teachers, staff, Student's Council and the whole spirited Student Body. GOOD LUCK to all in the future.
